CWA Public Speaking (Oxley)

The Oxley Group CWA Public Speaking Competition was held at the Tullamore Hall on Tuesday 21st May. Students from public, Catholic and Christian schools in Parkes, Forbes, Narromine, Trundle, Condobolin, Bogan Gate, Tullamore, Tottenham and Lake Cargelligo competed in the competition; nineteen schools in total were represented.

In the primary competition, there were thirty-eight competitors in the Year 3/4 division and thirty-eight competitors in the Year 5/6 division.

Jeordy Carty and Austin Fay spoke about why "My Pet is My Friend" Jack Carty spoke about the "Things I Would Change" and Flynn O'Neill asked "Why Blame Me"?

They said the money raised would help the Salvation Army support locals who need help with bills, food and medical expenses, among other things: at least ten people come in each week and ask for financial help. They said people in Forbes generally enjoy a good standard of living but there were still people who needed help.

CSIRO Scientific Superstars

We visited Bedgerabong Public School on Thursday 23rd May, where the Lake Cowal Conservation Centre and the CSIRO helped students to learn more about magnets, electricity, insects and the stars.

LCMA NRM Awards - We Won!!!

Lachlan Catchment Management Authority hosted a wonderful luncheon in Forbes on Thursday 23rd May, where they celebrated and recognised the achievements being made across the Lachlan Catchment by announcing the winners of the Natural Resource Management Awards.

There was an Education category which was to be awarded to a school or youth group for their contribution in raising awareness, knowledge and understanding of Landcare and sustainable practices amongst the students and community; and what do you know? WE WON IT!!!!!!!!!!!!

This culminates two years of ongoing partnerships with local enterprise and outstanding support from Corinella community to bring about this recognition. Thank you to all for being a part of Corinella Dreaming and engaging with the staff and students to embed the Corinella Dreaming spirit. Congratulations to our staff and students who are so engaged and eager to learn about their local environment.
