**Playgroup**

We are running a Playgroup on Tuesday mornings at 9:30 am to 11:00 am in the classroom next to the office. This will be every Tuesday during each school term for children aged birth to 6 years. It is also the time when the “It Takes A Village” Home Day Care and Toy Library hold a playgroup gathering at the school once a month, on the first Tuesday.

It is important for children to attend playgroups as it encourages social interaction and helps the many areas of development including cognitive (thinking), emotional, gross motor (big movement) and fine motor (small movement) development. We aim to have a proactive playgroup where parents/carers can come with their children to a safe and welcoming environment and participate in the activities together.

The program and activities will change depending on children’s likes and interests. Each week we will ask one family to bring in their favourite story and game. This will encourage the children to share their favourite stories with others and to see all parents and children participating in activities throughout the session. We also ask parents to bring a piece of fruit to share with the group for morning tea.

If any members of the community have any unused toys or craft materials they wish to donate, that would be greatly appreciated. Also, if you have skills that you would like to share with the children, such as playing a musical instrument or reading a story, please contact Bethany Osborne from “Mini Manna” on 6972 5252.

**Musica Viva - Mara!**

Mara! is one of Musica Viva’s best loved and longest performing bands for a very good reason. This ARIA award winning quintet mixes traditional vocal and instrumental repertoire from a wide variety of cultures with cool jazz. Students heard a range of woodwinds, bouzouki, baglama and double bass blend seamlessly with languages from around the world. You can listen yourself at: http://www.musicaviva.com.au/education/mvis/performers/mara

Students enjoyed participating in the chants and rhythms of Bulgarian music. The lead singer Mara chanted in a special traditional voice as the mother fox and the students echoed a response as the twelve baby foxes.

Congratulations to Charlie Fay for his wonderful enthusiasm and volunteering.

Do you know the difference between the lute family and the guitar family of instruments? Well the lute family has the peg box angled back from the neck at an almost 90° angle; it looks very interesting!
