2014 Kindergarten Transition

On the 15th of August the transition kids came to school for the day. The kids did some maths and had a wonderful time. They wrote and drew Humpty Dumpty. During lunch we had a wonderful visit from Humpty Dumpty.

The kids enjoyed it so much, that when the big kids finished their play, they chased us down. Of course they had to have a go, so we gave them our wigs and name tags! They did the play for us. It was an amazing day and I hope everyone had fun.

Playgroup

The playgroup parents thank Mrs Debbie O’Neill for her very thoughtful and generous donation of puzzles and ball games.
