**NSW PSSA Athletics Carnival**

2014 is the 125th year anniversary of school sport in NSW. This achievement was celebrated at the recent NSW PSSA State Carnival with a special presentation during the opening ceremony, where a Forbes School was mentioned as one of the first country schools to enter the PSSA!

Sir Donald Bradman, Betty Cuthbert, Dawn Fraser, Steve & Mark Waugh, Ian Thorpe, Todd Woodbridge, Shane Gould & Greg Inglis are just a few Australian sporting icons who have participated in public school sport.

Our school’s own sporting icon, Aaron Mickan, travelled to Homebush with his parents on Wednesday 15 October to compete in the state finals of the 13 Years Boys 100m Sprint.

The Spring day was very cold, but Aaron used his nervous energy to warm up and come fourth in his heat with a time of 14.41 seconds; this time qualified him to race in the semi-finals, where he ran a time of 14.56 seconds. This is such a fantastic achievement for Aaron and a wonderful culmination of his primary school sporting career.

Thursday 16 October, Aaron, Austin, Jeordy and Melody joined together to represent the Western Region of NSW in the state finals of the Neil & Elizabeth Austen PP6 4 x 100m relay at the NSW PSSA State Carnival. These students had spent many hours training under the guidance of Mrs Maree Hodges, who volunteered her time every week to assist students to feel prepared to compete.

Sport and Recreation’s Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation’s Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

**Prices for nine lessons are $67 for school-aged children and $48 for preschoolers (prices exclude pool entry fee).**
