**Temora Aviation Museum**

Mrs Cartwright and Mrs Ridley escorted students to the Temora Aviation Museum on Wednesday 30th April to experience their educational program ‘Time Traveller: Then, Now, Tomorrow’. This program is designed to complement the HSIE units ‘Places: Then, Now & Tomorrow’ and ‘Australia: You’re Standing in it’.

Students were able to explore what everyday life was like during the 1940’s, specifically during World War II and the period of operation of No. 10 Elementary Flying Training School and compare with what life is like today.

Students participated in a number of interactive activities that allowed them to explore history. These activities included an interpretive walk and role play.

**Karla:** Yesterday I saw a spit aeroplane. It had teeth painted on it.

**Lacey:** Yesterday I visited the Temora Aviation Museum. I saw a shark plane that flew in the war.

**Madison:** Yesterday we went to Temora and visited the museum. I saw a spit plane and a model of the training school.

**Melody:** On Wednesday Corinella School travelled to Temora town to see the Aviation Museum. When we got there we met Lisa our Guide for the day. When we met Lisa she took us to the auditorium to teach us about our past and present.

**Forbes Small Schools Athletics**

And the second place getters are... Yes, Corinella!!!

Congratulations students and parents for your enthusiasm, participation and most of all, positive attitude, to make the athletics carnival such a fantastic event.

Each student achieved personal best results and were confident to participate in their activities. Kindergarten students very much enjoyed their first athletics carnival; it was a very busy day full of lots of fun and achievement!

---

**Premier’s Sporting Challenge**

Students commenced the 10 Week Premier’s Sporting Challenge on Tuesday 29th April.

The Premier’s Sporting Challenge includes a range of initiatives with one common purpose - to have more students, more active, more of the time! The Challenge aims to engage young people in sport and physical activity and encourages them to lead healthy, active lifestyles.

Sport plays an important role in developing regular physical activity, provides positive health outcomes and is a fun and healthy way to connect with our local community.

Parents, we ask you please continue to support your child/ren to complete their Activity Log.
